PROFESSIONAL EXPERIENCE

Valora Technologies — *Technical Operations Contractor*

December 2017 – June 2018 — Bedford, MA

- Wrote scripts to extract data from 1,000s of unstructured documents per day, fulfilling multimillion dollar contracts.

athenahealth, Inc. — *Product Innovation and Engineering*

September 2015 – October 2017 — Watertown, MA

- Joined two large databases (SQL+SOQL), aligning the language of product teams and client teams.
- Refactored full-stack web features to allow doctors to prescribe drugs as intended, in compliance with federal CLIA regulations.
- Managed the delivery of an in-product client feedback survey, now used to determine compensation in call center.

Microsoft — *Program Management Intern*

May–August 2014 — Bellevue, WA

- Coordinated the development of the new mobile MSN homepage, now seen by 400M unique users per year.

Cognex Corporation — *Software Development Intern*

May–August 2013 — Natick, MA

- Wrote an automated testing harness in C# for computer-vision hardware, saving hundreds of hours of engineering time.

Buck's Rock Camp — *Improv and Sketch Comedy Counselor*

Summers 2010–2012 and 2015 — New Milford, CT

- Directed teenagers in improv and sketch comedy, culminating in weekly improv performances and monthly sketch shows.

EDUCATION

Olin College — *B.S., Engineering with Computing*

September 2011 – May 2015 — Needham, MA

Completed 28 team engineering projects, including:

- A robotic arm that draws caricatures
- A virtual computer built from logic gates
- A flight-tracking device designed for stunt pilots

SKILLS

Highly proficient:
Python, Perl, JavaScript, SQL (MySQL and Oracle), LabVIEW, Agile/SCRUM

Moderately proficient:
Node.js, HTML/CSS, Bash, MATLAB, MIPS Assembly, Arduino, LaTeX, PCB design

Seeking to improve:
C++, Java, Jenkins.

MISCELLANEOUS

Improv comedy: Graduated from ImprovBoston Comedy School in May 2017. No joke.

Running: Just ran my 2nd half-marathon this October.

Puzzles: Co-writing MIT Mystery Hunt 2019.

Eagle Scout: Former Chief of my Order of the Arrow lodge.
